

PAPER PRESENTATIONS – **BALLROOM 1**

Time	Presenter	Presentation Title
8:00 – 8:20	Jeffrey Mitchem	Saving Sites in Florida: The Archaeological Conservancy
8:20 – 8:40	Owen Wright	Prehistoric Armored Coastlines and Environmental Sustainability
8:40 – 9:00	Julie Duggins	Public Interpretation and the Irma Canoe: An Opportunity to Talk About Hypothesis Testing
9:00 – 9:20	Joseph Nicolas Butler	Tribal Perspectives on Sea Level Rise and the Costs of Preservation at Egmont Key
9:20 – 9:40	Emily Jane Murray	Documenting Coastal Changes at Archaeological Sites: A Case Study at Shell Bluff Landing (8SJ32), Ponte Vedra Beach
9:40 – 10:00	Sarah Miller and Laura Clark	Digging into Site Stewardship: Quantifying and Qualifying the Public Benefits of Heritage Monitoring Scouts (HMS Florida)
10:00 – 10:20	Mary Glowacki	The State of the State: The Annual Report of the Florida Bureau of Archaeological Research
10:20 – 10:40	MORNING BREAK	
10:40 – 12:00	Panel Discussion: “Rising Seas and Sinking Sites”: Planning for Archaeological Site Loss in Florida	
12:00 – 1:20	LUNCH	
1:20 – 1:40	John Worth	New Insights into Spanish-Native Relations during the Luna Expedition, 1559-1561
1:40 – 2:00	Cassandra Sadler and John R. Bratten	Pez, Pollen, and Preservation: Analysis of 16th Century Spanish Olive Jar
2:00 – 2:20	Christina L. Bolte	The 1559-1561 Tristán de Luna Settlement: Disaster, Relief, and a “New Spanish” Artifact Assemblage in Pensacola, Florida
2:20 – 2:40	John Robert Elmore III and John R. Bratten	Conservation of Waterlogged Wood from the Emanuel Point Shipwrecks
2:40 – 3:00	AFTERNOON BREAK	
3:00 – 3:20	James Pepe and Diane K. Kloetzer	Archaeological Data Recovery at the Etna Turpentine Camp (8CI795)
3:20 – 3:40	Sarah Bennett	Leisure, Community, and Compliance: Archaeology at New Smyrna's Alba Court Inn
3:40 – 4:00	Katie Higgins	Historic Gomez Cemetery: Preservation of Cultural Heritage in Hobe Sound, Florida

PAPER PRESENTATIONS – **BALLROOM 2**

Time	Presenter	Presentation Title
8:00-8:20	Diane Wallman	Introduction: The Archaeology of the Tampanthropocene
8:20-8:40	Kendal Jackson*	Between Land and Sea: Deep-Time Historical Ecology in the Tampa Bay Watershed
8:40-9:00	Gianpero Caso*	The “Paleo-Anthropocene” in Tampa Bay: The Paleoindian Archaeological Record
9:00-9:20	Heather Draskovich	Time to Settle Down: A Glimpse into the Archaic Period in Tampa Bay
9:20-9:40	Michael Lockman	Middens, Mounds, and the Manasota: A Historical Ecology of Tampa Bay’s Woodland Shellscape
9:40-10:00	Amy Spurling Gatanbee*	Safety Harbor Period Social and Natural Landscape Transformations in the Tampa Bay Watershed
10:00-10:20	Jelane Wallace	The Lure of La Florida: Spanish Contact and the Anthropocene in Tampa Bay (A.D. 1513-1821)
10:20-10:40	MORNING BREAK	
10:40-11:00	Ofelia Sanchez and Diane Wallman	The American Frontier and the Rise of the Capitalocene in Tampa Bay
11:00-11:20	Christopher Hunt	Heritage at Risk: A Critical Analysis of Cultural Resource Policy and Management in Response to Climate Change
11:20-11:40	John Arthur, Elizabeth Southard, Heather Draskovich, Kendal Jackson, and Sharlene O'Donnell	They Never Left: Daily Life of a Safety Harbor Period Settlement at the Weeden Island Site (8PI1), Florida
11:40-12:00	Elizabeth Southard, Kendal Jackson, Sharlene O'Donnell, and John Arthur	Measuring Crowns: An Allometric Study of <i>Melongena corona</i> (Crown Conch) from the Weeden Island Site (8PI1), Pinellas County, Florida
12:00-1:20	LUNCH	
1:20-1:40	Jeffrey H. Shanks	Searching for Spring Creek: Testing the Woodland Ring Midden-Mound Site Type Model in Northwest Florida
1:40-2:00	Michael Russo	What Does a Prehistoric Florida Village Look Like?
2:00-2:20	Thadra Stanton	Between a Rock and a Byrd Place: Lithic Technology at Byrd Hammock (8WA30)
2:20-2:40	Martin Menz	The Lost Phase?: Weeden Island without Swift Creek or Wakulla at the Old Creek Shell Ring (8WA90)
2:40-3:00	AFTERNOON BREAK	
3:00-3:20	Geoffrey Thomas and Tanya M. Peres	FSU Anthropology’s Investigations of Mound Field (8WA8)
3:20-3:40	Megan Merrick	Zooarchaeology of Domestic Activities at a Weeden Island Shell Ring in the St. Marks National Wildlife Refuge

PAPER PRESENTATIONS – **BALLROOM 3**

Time	Presenter	Presentation Title
8:00–8:20	Ivor Mollema	Maritime Archaeology of Dog Island
8:20–8:40	Chuck Meide	An Overview of St. Augustine’s Historic Shipwrecks: Research Potential and Potential Threats
8:40–9:00	Wendy Weaver	Submerged Prehistoric Sites in Tampa Bay, Florida – Over 50 Years Later. In Honor of Dr. Lyman O. Warren
9:00–9:20	Steve Koski	Prehistoric Submerged Archaeological Sites in Coastal Sarasota County, Florida: Incidental Discoveries, Predictive Modeling, and Preservation Methodologies
9:20–9:40	Ryan Duggins	Investigating and Preserving Florida’s Submerged Prehistory: Manasota Key Offshore
9:40–10:00	Melissa Price	Submerged Sites: Past, Present, and Future Considerations
10:00–10:20	Neil Puckett	Expanding our Horizons: Archaeological Management in Florida’s Aquatic Preserves
10:20–10:40	MORNING BREAK	
10:40–11:00	Michael Faught	State of the Art: Reconstructing Paleolandscapes for Maritime CRM Projects
11:00–11:20	Thomas Penders, Lori Collins, and Travis Doering	The Importance of Landscape in Preservation Strategies: Integrating Natural and Cultural Resource Documentation to Digitally Preserve our Nation’s Historic Space Launch Complexes at Cape Canaveral Air Force Station
11:20–11:40	Lori Collins, Travis Doering, Margo Schwadron	Heritage at Risk: How 3D Spatial and Imaging Tools are Helping Managers and Researchers Better Preserve, Protect, and Interpret the Castillo de San Marcos and Fort Matanzas, St. Augustine, Florida
11:40–12:00	Travis Doering and Lori Collins	Improving Heritage Tourism with Digital Archaeology: The City of St. Petersburg and 3D Archaeological Applications
12:00–1:20	LUNCH	
1:20–1:40	Robert J. Austin, Brad Lanning, Geoff DuChemin, Kristina Altes, and Lee A. Newsom	Revisiting Perico Island
1:40–2:00	Albert C. Goodyear	Update on Paleoamerican Research in Florida
2:00–2:20	Jon Endonino, Steven England, and Candace Robinette	Coquina Clam Cook-off: Donax Collection and Processing Technology at the Tomoka Mound and Midden Complex
2:20–2:40	Traci Ardren	Tracking the Matecumbe: Material Culture of the Prehistoric Florida Keys
2:40–3:00	AFTERNOON BREAK	

PAPER PRESENTATIONS – **BALLROOM 3 CONT.**

Time	Presenter	Presentation Title
3:00–3:20	Rachel Morgan	Environmental Factors in Tree Island Hammocks: Assessing Variability in Florida’s Prime Real Estate
3:20–3:40	Christian Davenport	Sugarcane Smoke, Gator Tails and Underwater Panthers: Implications of Late Archaic Carved Bone Motifs from the Northern Everglades
3:40–4:00	Jessica Baker and Christian Davenport	A Paradigm Shift: A Freshwater Archipelago and Its Implications in Archaeological Interpretations

POSTER PRESENTATIONS – **PALM ROOM**

Time	Presenter	Poster Presentation Title
9:00–12:00	Robert Bowers and Robert Tykot	A Pilot Study on Modern Geochemical Methods for Sourcing Florida Chert
	Shana Boyer	Before Big Sugar Came to Town: Raising Cane on Florida’s Frontier
	Bethany Brittingham	The Craft of Marine Shell Bead Production in Pre-Columbian Florida
	Rodrigo Cardenas, Robert Carr, and Danielle Ashley Simon	Bottle Analysis of the Bradley Park Renovation Excavation
	Alec Colarusso	The Mysterious Black Drink and its influences on the Indigenous People of North America
	Jordan Falchook, Rebecca Gibbons, and Michael Felice	Exploring the Canaveral Inn: History and Archaeology at the Hotel Site (8BR240), Cape Canaveral
	Brook Hayes	Reign of Terroir: Fermenting Rebellion in Florida's Winemaking Industry
	Rachel Hilt	Analysis of Shell Tools from Little Salt Spring and their Function
	Cayla Jordan and Zackary I. Gilmore	Rehabilitating Collections of the Rollins College Archaeology Lab
	Cyndal Mateja	Patterning and Practice: Physical Attributes of Utilitarian Pottery
12:00–1:20	LUNCH	

PAPER PRESENTATIONS – **CORAL ROOM**

Time	Presenter	Presentation Title
8:00–8:20	Willet Boyer III	Solution Holes, Hoaxes and Other Chaos: GPR in Florida Environments
8:20–8:40	Robert Tykot, Nancy Marie White, and Michael Lockman	Non-Destructive Analysis of Prehistoric Ceramics in Florida Using pXRF
8:40–9:00	Stephan Hassam, Frank Amico, Michelle Assaad, Kaitlyn Kingsland, and Rebekah McLaughlin	3D Applications for Historical Documentation of the Cà d’Zan and Wisconsin Traincar at the Ringling Museum, Florida
9:00–9:20	Anna Dixon	Coontie: From Staff of Life to Threatened Species
9:20–9:40	Steven Karacic, Michael Russo, and Julia B. Duggins	Identifying a Colorful Past: Portable X-Ray Fluorescence of a Totem from Salt Springs
9:40–10:00	Kia Taylor Riccio and Christian Davenport	Seasonal Harvesting Patterns of the Jupiter Jaega
10:00–10:20	Gabrielle Lehigh, E. Christian Wells, and Mark R. Hafen	Urban Industrial Ethnography: Social and Environmental Legacies of Historic Land Use in Florida
10:20–10:40	MORNING BREAK	
10:40–11:00	Keith Ashley	Mill Cove Complex: Recent Testing, Origins, and Connections to Cahokia
11:00–11:20	Lacy Bocharski	Resurrecting Grant Mound (8DU14): The Other Mill Cove Complex Mound
11:20–11:40	Aubrey Farrell and Keith Ashley	An Overview of the University of North Florida’s 2017 Summer Field School
11:40–12:00	Edward González-Tennant	Sympathetic Archaeology: Reflections on a Decade of Public Engagement in Rosewood, Florida
12:00–1:20	LUNCH	
1:20–1:40	Alison Elgart	Biological Relationships among Populations in the Okeechobee, Manasota, and Caloosahatchee Culture Areas during the Middle Woodland as Assessed through Teeth
1:40–2:00	Daniel Benitez	Dental Traits of Palm Beach County Florida
2:00–2:20	Kevin Gidusko and John Shultz	The Application of 3D Photogrammetry for Outdoor Forensic Scene Documentation in Florida
2:20–2:40	Max Houck	Philosophical Siblings: Forensic Science as Archaeology
2:40–3:00	AFTERNOON BREAK
